# My Drunk Kitchen: A Guide To Eating, Drinking, And Going With Your Gut

## Synopsis

**NEW YORK TIMES BESTSELLER** One day, sad cubicle dweller and otherwise bored New York transplant Hannah Hart decided, as a joke, to make a fake cooking show for her friend back in California. She turned on the camera, pulled out some bread and cheese, and then, as one does, started drinking. (Doesn't everyone cook with a spoon in one hand and a bottle of wine in the other?) The video went viral and an online sensation was born. My Drunk Kitchen includes recipes, stories, full color photos, and drawings to inspire your own culinary adventures in tipsy cooking. It is also a showcase for Hannah Hart's great comedic voice. Hannah offers key drink recommendations, cooking tips (like, remember to turn the oven off when you go to bed) and shares never-before-seen recipes such as: The Hartwich (Knowledge is ingenuity! Learn from the past!) Can Bake (Inventing things is hard! You don't have to start from scratch!) Latke Shotkas (Plan ahead to avoid a night of dread!) Tiny Sandwiches (Size doesn't matter! Aim to satisfy.) Saltine Nachos (It's not about resources! It's about being resourceful.) This is a book for anyone who believes they have what it takes to make a soufflé for the holiday party and show up the person who apparently has nothing better to do than bake things from scratch. It also recommends the drink you'll need to accompany any endeavor of this magnitude. In the end, My Drunk Kitchen may not be your go-to guide for your next dinner party . . . but it will make you laugh and drink . . . I mean think . . . about life.

## Book Information

Hardcover: 240 pages

Publisher: Dey Street Books; First Edition edition (August 12, 2014)

Language: English

ISBN-10: 0062293036

ISBN-13: 978-0062293039

Product Dimensions: 7 x 0.8 x 9 inches

Shipping Weight: 1.8 pounds (View shipping rates and policies)

Average Customer Review: 4.7 out of 5 stars [See all reviews](#) (307 customer reviews)

## Customer Reviews

If you are looking for a serious, step-by-step cookbook: turn around now. If you are looking for

light-hearted fun, lots of joking around, and insights on friendship: buy this book now. For the uninitiated, Hannah Hart began her rise to kitchen stardom with the famously slurred words, "Hello, welcome to my drunk kitchen." We learned "while things were being dropped, burnt, and forgotten" how to make grilled cheese. But not just grilled cheese: grilled cheese with humor, fun, and entertainment. Since then, Hannah has attracted millions of viewers, partnered with drunk celebrities, and raised money for charity. Now she has a book. The question is, does the same fun cross over into book form? Yes! A thousand times yes. The book has lots of off-shoot narratives written by Hannah about the joys of friendship and having fun, all organized in neat categories around her food creations. There are tons and tons of full-color pictures with it all, plus cute comedic drawings and quotes. Every idea is followed by one of Hannah's Life Lessons. For instance, one recipe in this book is Hannah's Pizzadilla. Ingredients are: tortillas, marinara sauce, cheese, and tissues for everyone who starts to cry tears of joy when you bring this out to serve. The instructions basically say "cook until edible" in the oven, and there are five pictures of Hannah cooking this stove-top. You'll get the idea of how it blends together, and maybe you'll try it, maybe you'll come up with something different, but ultimately you'll laugh and enjoy the experience. (Hint: this is a great book to flip through with a friend next to you.)
