Achieving TABE Success ... workbooks contain the following features:

- TABE 9&10 Correlation Charts Each text contains a TABE 9&10 Correlation Chart that links each question to targeted skill lessons, enabling instructors and students to build a personalized study plan based on skill level strengths and weaknesses.
- Pre-tests and Post-tests Each workbook begins with a pre-test and a skills correlation chart to help diagnose strengths and weaknesses and determine TABE readiness. The format of each pre- and post-test matches that of the actual TABE test.

## Customer Reviews

For a used book.....it looks brand new. No marks, not even a page wrinkled. Awesome quality! What a great value!

My adult students requested a workbook for grammar. This had fit the bill nicely. wish there was a discount for buying multiple copies.

Horrible quality of book, very poor its conditions, unkept clean, sloppy. I hope the next time will be better conditions.

This too is good it help me to understand the English the American way better .

This one is okay. My student hasn't gotten very far into it yet.
