This was the first cookbook I began using when I got married in the mid 90s and it was a great way to get started cooking, without being overwhelming. Prep times and cook times listed and are pretty accurate. This is a very good series - there's also 365 ways to cook pasta, 365 low cal recipes and 365 fish & seafood recipes that I also bought and use. But the chicken one is the most worn, with tears and spills on it from most frequent use. 3 family favorites are #88 chicken with cream sauce, prosciutto and peas, red pepper chicken #113 and chicken marsala with mushrooms #106. This will always be a favorite cookbook in our house! I bought this copy as a gift for a relative who's starting to cook.

I've had this book for over ten years. My mother In-law kept pestering me to copy recipes for her so, I just bought her one. She doesn't call as much now. Thank you.

I thought I reviewed this for earlier. I like the book, lots of good recipes for chicken. I was hoping for an updated version but this is acceptable. I have tried some of them and they are very good. Others are earmarked for a later time.

I bought this book years ago. It was my go-to resource to make chicken interesting. Unfortunately, I lost my copy in my last move. Now I have it back. The recipes are well written and quite tasty. This time I won't lose my copy.

I like the book, the recipes are fairly simple and don't use too many ingredients that aren't readily available. My only wish is that the book had more pictures.

I had this book when it was originally published and loaned it to a friend. Believe it or not, I really missed having it after 5 years! It was my go-to for those times when I just ran out of ideas for chicken. I'm glad I was able to find it again and will definitely will not be loaning it to anyone.

I bought this cookbook 20 years ago when I was first married and overall it has the best chicken recipes out there. 20 years later, this book is still my staple for many of my favorite recipes and I have copied many of the recipes for my family and friends at their request. Now my daughter makes many of the dishes featured in the book. Make sure you try the chicken marsala and the honey bbq wings but all of the recipes are terrific.

Lots of great recipes just wish it had pictures.
