The Sweet Potato Queens' Big-Ass Cookbook (and Financial Planner)

Synopsis

Theyâ™re wild, beloved, and all-around fabulous, but with the Sweet Potato Queens, thereâ™re just never enough good timesâ”or enough good eats. Well, now all fabulous women everywhere can have their own mountains of royal fun and food, because bestselling author and Boss Queen Jill Conner Browne is revealing her big-ass top secret recipesâ”and the events that inspired themâ”in The Sweet Potato Queensâ™ Big-Ass Cookbook (and Financial Planner). And, of course, sheâ™s dishing up plenty of hilarious stories, including:â € Queenly adventures in motheringâ € The tiniest bit of plastic surgeryâ € The all-true story of the Cutest Boy in the WorldAnd, oh yes, as promised:â € Sound financial planning. Tip number one: Hope that Daddy lives forever.

Customer Reviews

This book is impossible. You cannot explain it. You cannot describe it. You cannot put it down. You cannot stop laughing. You cannot not identify with much of it. You cannot stop your friends from wanting your copy. You cannot stop re-reading it. You cannot stop yourself from trying the recipes. Other than the above, my advice is grab one for yourself.

This is another laugh-till-you-cry offering from Jill Conner Browne, the Boss Queen of all Sweet Potato Queens. It was so funny, I read it in one sitting! While not as full of the exploits of the Tammys as the two previous offerings, Jill skillfully links together her uproariously funny prose with

actual recipes that she has collected or been given. Topics range from her mother moving in with her (which leads to a need for pie) to the Cutest Boy in the World, whose mother makes the Sweet Potato Stuff. Buy your very own copy because you'll have to read it more than once, and because the Queens are opposed to book-loaning, as it cuts into their plastic surgery fund!

I first rented the audio version of this book....after listening to it, I had to go out and buy it for my own self! Not only was it funny, it had some kick-ass recipes that I just had to try. After I bought it, I had to buy books for my friends. This is without a doubt, one of the neatest books I've ever had. It is now tattered...cause I really do use it as a cookbook!!! And can read it...like...forever./ Great read...and good recipes!

How can you not love a book that offers financial advice like, "There's a lot to be said for rich old guys with bad hearts and no relatives"? Great recipes and even better anecdotes! Only for those with a sense of humor, though. Other deliciously funny books: "No One's Even Bleeding" & "Delano"

What a funny book! Sure, a little racy in parts but that's what we expect from our Sweet Potato Queens! Recipes look yummy, and the financial tips are a hoot. Some of the stories have a real heart and "teared me right up". Jill Conner Browne, you are my hero. By the way, want to clone that "Cutest Boy" and send him on up to Cincinnati?

What can I say about this book other than it is the best and you just have to get it! If you are a fan of the first two, you know how much laughter and fun you are in for. If you have not had the luck of reading any of Jill's books, you are in for a wonderful ride. The recipes are fabulous, try the deep fried pickles! This is a read it all the way through in one sitting 'cause ya can't put it down, call your girlfriends and tell them to get the book, can't stop laughing to save your life kind of book. You won't be sorry :)

Hey this skinny melinky kid from the Bronx (me) laughed myself silly through 3 or 4 commutes to and from work-- loving this book! You can BET I'm gonna make (and eat and G-d help whoever tries to take a portion of it from me!) all of those recipes -- especially that Hostess Twinky Pie! A great book with irreverent wit, humor, great cuss words, sensitivity in the right places and a Boe-Day-Shuss (hey I'm from the Bronx -- we can't spell Southern words) outlook on life and..... foodies!!

Reading one of these books is probably enough. I got three of them and they seem very repetitive in nature. They are amusing, but not anything you would read more than once (the test of a good book in my opinion). I would never use the recipes in this book. They sound good, but not anything that would be in anyone's regular diet unless they are so overweight they are housebound!
