## Customer Reviews

I'm a big fan of the Pillsbury Cookbooks. I love that the books have pictures for almost all their recipes! This is the second cookie book that I have purchased. I finally bought one for my mom who is always asking for my cookie recipes. I have it all marked up (like I do with most of my cookbooks) with variations, changes that I like to make, and family members' favorites. The best is the Honey-roasted Peanut cookies! They are so delicious. The glaze is yummy all by itself and we've often taken any extra glaze and put it on ice cream! I still think the best oatmeal raisin cookie recipe is found on the inside lid of the Quaker Oats container!

This is a Great Pillsbury Cookie Cookbook. There are a Lot of Great Cookie Recipes in it. It shipped quickly and I received it fast. Good Price and Great Shape Thank you.

I was tired of finding cookie recipes on line, trying them out, and finding they were a disaster. So I purchased this cookie cookbook and my problems were over. I enjoy the accuracy of the recipes as well as the good variety. I appreciate the helpful information this book has in the beginning informing just what different ingredients do to a recipe, information on equipment and how to store cookies after baking them. This is a wonderful cookbook for the beginner as well as an experienced cookie baker. I would definitely highly recommend it.

This book is filled with great recipes that actually work. With colorful pictures, I love making cookies because I can see what they should look like before I make them.

item was as expected and arrived on time

Great product

great

Great book that only Pillsbury could release. The old favorites are fun to recreate while newer recipes are fun to try and add to your favorites. Since receiving my copy, I have made two different recipes each weekend, to share with co-workers, family, and friends, that always brings a smile to

their faces. Being a former professional baker turned IT person, books like this one allows someone like me to relive my childhood and those special moments baking with grandmothers, mom, and aunts while growing up. Memories are extra special, especially when you can associate a special cookie recipe/memory in your heart. I am fortunate enough to have many to remember every time I bake some cookies from this book or the many others I own. Enjoy a great memory and a cookie to share, just to help a special someone smile again.
