Uchi: The Cookbook

Synopsis

For chef Tyson Cole, sushi has always been more than just food; it's an expression of his love and respect for Japanese culture. Having now devoted more than a decade of his life to the skill, art, and discipline of being a sushi chef, Cole's sole purpose is simple: to create the perfect bite. Cole delivers that perfect bite every day at Uchi, his Austin restaurant. Since 2003, Uchi has received national acclaim for stretching beyond the borders of traditional Japanese sushi. "Ingredients and flavors from all over the world are easily accessible now," Cole says. "The cuisine I create is playfully multicultural, mixing the Japanese tradition with tastes that inspire me." Uchi's prominence in the evolution of Japanese cuisine has garnered the restaurant four James Beard Award nominations, as well as a spot for Cole on Food and Wine magazine's list of "Best New Chefs." With their first cookbook, the team at Uchi invites sushi lovers and novices alike to explore their gastronomic boundaries with some of the restaurant's most celebrated recipes: a crisp melon gazpacho adorned with luscious morsels of poached lobster, for instance, or the polenta custard, corn sorbet, and corn milk dessert—a blissful homage to summer corn. Uchi: The Cookbook also presents the story of Tyson Cole, from dishwasher to restaurant owner; an account of the current state of American sushi; and a primer on the ins and outs of this sophisticated, yet artful cuisine.

Book Information

Hardcover: 276 pages

Publisher: University of Texas Press; First Edition edition (February 1, 2011)

Language: English

ISBN-10: 0292771290

ISBN-13: 978-0292771291

Product Dimensions: 8.5 x 1.2 x 10 inches

Shipping Weight: 3.2 pounds (View shipping rates and policies)

Average Customer Review: 4.4 out of 5 stars [See all reviews](#) (24 customer reviews)

Best Sellers Rank: #395,996 in Books (See Top 100 in Books) #106 in [Books > Cookbooks, Food & Wine > Cooking by Ingredient > Fish & Seafood](#) #126 in [Books > Cookbooks, Food & Wine > Asian Cooking > Japanese](#) #423 in [Books > Cookbooks, Food & Wine > Celebrities & TV Shows](#)

Customer Reviews

Eating at Uchi or Uchiko is a life changing experience. The flavors are crisp, the quality is incredible, and the service is typically beyond impeccable. Since we don't all have \$200/person to blow every

time we want to experience Uchi (non-happy hour), the cookbook would theoretically be the next best thing. There's a lot of things that are served as Uchi that are simple, and there are many that are quite complicated to reproduce. Unfortunately, this cookbook chooses to focus on many of the most complicated recipes rather than the make-at home ones. If you're looking for the brussels sprouts recipe, for example, you're out of luck. Head to [...] if you're looking. That's the closest I've found...If this cookbook had been more like Heston Blumenthal at Home, it would have been more approachable to cook from. Additionally, as other reviewers have noted, some of the recipes seem incomplete or that the units are incorrect. If you do a search, for example, on how to make the Uchi brussels sprouts, you'll find that Tyson Cole has given interviews in which he gives basically a completely different recipe for making fish caramel than what's presented in the cookbook. This is true with some of the other recipes as well. As always with any cookbook focusing on more haute cuisine, the most difficult thing is going to be the same quality of ingredients used by the chefs. Generally, it's just not possible to do as a consumer. However, given that Uchi is at this point, still a very regional restaurant patronized by Texans, it might have been a good addition and quite helpful to have a resource guide in the back on where to at least get some of the produce used by Uchi.
