Customer Reviews

My husband surprised me by purchasing this cookbook for me after one of our many trips to Santa Fe. We ALWAYS go to Pasqual's when in Santa Fe. The recipes are easy to follow, though some of

the ingredients are a little tough to get in central Ohio. (But with the internet anything is possible these days.) The first recipe I tried was the Mac and Cheese (with poblanos). Wow...a real crowd pleaser. The Yellow Roasted Pepper and Fennel Salad was a refreshing change from the "usual" summer salad options. I made the Red Chili and Sugar Cured Bacon for a southwest themed brunch....Very popular. I should have made 2x more than I did. The Chinese Hacked Chicken was also really good. It was great as leftovers in the lunch box. Some of the recipes have very long lists of ingredients but don't let that deter you. It is so worth the effort. I can hardly wait until fall to make the Sugar Pumpkins filled with Vegetable Stew in Chipotle Cream Sauce.

Really nice, and fantastic gift for anyone who grew up in, or likes New Mexico. Note, the recipes are kind of fancy (at least I can say I don't have all the ingredients for most of them in my pantry). Still happy with purchase - challenges are good, right?

We ate at the restaurant several times and loved the food so much I had to buy the cookbook. It doesn't disappoint, most of my favorites are in this one. I am cooking my way through it, so far so good.

For anyone that has ever had the pleasure of dining at Cafe Pasqual's in Santa Fe, it is a real treat to bring some of the recipe's home from this awesome establishment. We have already made the pecan soup and it was excellent. The book is as beautiful as it is delicious. Great photos of the restaurant and food. Highly recommend this book for anyone looking to satisfy their Santa Fe appetite without actually making the trek down to New Mexico. This is one of those recipe books that could rest comfortably on your coffee table.

Have visited this cafe multiple times when in Santa Fe and the food, the atmosphere, the service is remarkable. Enjoy the cookbook and use it as kitchen display also. Makes for a good gift.

Awesome cookbook - makes me feel like I'm back at Cafe Pasqual's again when I make one of these dishes and makes me want to travel back to New Mexico ASAP!

Visited this wonderful restaurant and loved the food. Recipes are complicated and require ingredients that may be hard to find but well put together book.

Great book, great recipes, delivered as promised in new condition! So happy with this, I ordered 2 more for my daughters!
