# Dishing Up® New Jersey: 150 Recipes From The Garden State

## Synopsis

New Jersey native John Holl searched from Sussex County to Cape May to find the best recipes New Jersey has to offer, and the result is this rich and unique cookbook celebrating the foods, flavors, cultures, and traditions of the Garden State. These 150 recipes include dishes featuring New Jersey's own produce — tomatoes, corn, cranberries, blueberries, apples — along with deep-fried boardwalk treats, late-night diner bites, and recipes contributed by casinos, bison and dairy farms, food trucks, old-school delis, famous bakeries, and more. You'll find Pork Roll Surprise, Sautéed Ricotta Gnocchi, Cucumber Gazpacho, Ukrainian Holubtsi, Radish Bread, Dry Vegetarian Curry, Funnel Cake at Home, Tomato and Onion Salad, Thai Fish Cakes, Jersey Green Clam Chowder, Sunday Gravy, Saltwater Taffy, Traditional Amish Chili, Classic Lawrenceville Mac & Cheese, Kielbasa and Sauerkraut, Jersey Disco Fries, Jamaican Jerk Meatballs, Fresh Jersey Corn Cakes, Honey Thyme Caramel, Black and Blue Cobbler — and a classic Taylor Ham, Egg, and Cheese Sandwich. Beautifully photographed, this collection is the ultimate tribute to New Jersey's best.

DelAnneReviewed For: NetGalleyRating: 5 stars.I admit my ignorance when it comes to New Jersey. I never thought of Jersey as a producer of vegetables and fruits on a large scale. Gambling, definitely, Tourism without a doubt, even dairy farms but I never thought of Jersey having its own flavor profile. Dishing Up new Jersey showed me I could not have been more wrong. I think Jersey's fresh produce is its best kept secret and I have friends that never mentioned any of this to outsiders. I knew they were proud of their home state. Most people are even with others who know their states are the best, but are kind enough to let others hold on to their delusions. Now let me tell you about Dishing Up New Jersey.First off let me tell you to take a good look at the spectacular photographs show some of the most beautiful spots and delicious foods of New Jersey. Amy Roth shows her talent in portraying Jersey in all her glory and showing some of the produce she is known for. Did you know there is an Annual Pork Roll Festival held in Trenton, N.J.? Well, there is and some genius won the Pork Roll Recipe contest with a Cheese stuffed Pork Roll. I made it and I think Rob Rossetti is brilliant. Now for those of you have never tried the Fresh Jersey Corn Cakes with Avocado Crème and Tomato Salsa. Don't mock it until you try it.I will eat cooked vegetables, but think they are best raw, so is it no wonder that I found a new favorite salad in Crunchy Broccoli Salad. One look at the photo and my mouth was watering. Lastly let me tempt you with the Honey Roasted Chicken, Dishing up New Jersey certainly tempted me. These are just a few of the 150 recipes found in this cookbook and all are guaranteed to make your mouth water and your taste buds sit up and take notice. Learn New Jersey through the flavors to be found there.
