The Southern Food Truck Cookbook: Discover The South's Best Food On Four Wheels

Synopsis

From the mountains of West Virginia to the bayous of Louisiana, there's a lot of ground to cover—geographically and culinarily speaking, of course. This road trip discovery of the region's most impressive mobile eateries features the street food that has lines forming everywhere from Louisville to Birmingham, and Durham to New Orleans. Meet the food truckers who are heading up one of the country's most popular dining traditions, and discover the recipes that have made them famous in their home cities and beyond. These roving restaurateurs are reimagining tacos, burgers, and biscuits; ice cream, barbeque, and noodles. The Southern Food Truck Cookbook features chefs from James Beard Award-winning kitchens—chefs who've now taken to the streets with menus that reflect their top-shelf training—and home-cooks-turned-food-truckers who are finally making a living from those recipes their family and friends have been raving about for years. This collection of recipes is a mosaic of the culinary traditions that are fondly recognized throughout the South, alongside a different approach that's sure to push taste buds and kitchen bravery to new heights. So put it in park, line up, and get ready to be impressed. You're gonna want seconds, and these recipes are sure to help you create round two, right in your own kitchen. Now get truckin'!

Best Sellers Rank: #96,280 in Books (See Top 100 in Books) #128 in Books > Cookbooks, Food & Wine > Regional & International > U.S. Regional > South

Customer Reviews

I saw this cookbook and author on tv and loved the take on southern cooking. I have tried a couple of recipes and they delivered on flavor and authenticity. I am anxious to try more.

When "Mexican Food Trucks on every corner." (Google this Sept 2016 political reference) was

suggested to be the result of not curbing immigration, my first instinct was "What's wrong with Mexican Food Trucks on every corner?" To my delight (I'm traveling soon and the 99¢ kindle version will be great to have and read) this book contains lots of Mexican recipes. The other good news is that there ARE color photos throughout "just not of every recipe. In the introduction, the author does say that many of the recipes are ethnically inspired. "International Meals Served in Food Trucks Roaming the South" is a good description. I like the stories of how the food truck owners started their businesses (photos were nice also). The author recommends "must try" dishes from each truck. I stopped reading because I've ordered the paper version, which I always prefer. How she could not include Florida as part of the South is beyond me. I live in South Florida where we say: "The further north [within FL] you go, the further south you are."

I guess the title of this book fooled me. The only thing I found southern about this book is the trucks may be sitting on the street somewhere below the Mason-Dixon line. I don't call Indonesian, Thai, Mexican fusion etc. as Southern recipes. Don't get me wrong I'm not knocking the recipes they may be delicious just not my cup of tea when I am looking for SOUTHERN food truck recipes. I was expecting more deep south southern foods. This ain't it!

My family think that this is the BEST EVER Food Truck book! It has so many recipes in it! My mother has made all, but two. That's how good the recipes are in this SOUTHERN FOOD TRUCK cookbook. It's very inspiring and the recipes are down right DELICIOUS!!! ;-D

Lip smacking deliciousness. Cooking could not be more simple and varied, yet with awesome eye-rolling goodness. So many wonderful things to feed my husband. This is pulling me out of my culinary rut. Thanks.

Didn't wow me with the recipes, but it was a good read about how people got started in the food truck industry.

The book covered several aspects of breaking away from your nine to five job and following your dream to become independent of the everyday job. To be able to build not only a great customer base but being able to build a great relationship with the customers. Not to mention the great recipes. With this book YOU CAN'T go wrong with serving up the most delightful menu to fast forward you dream of being successful.

Nice little quips about numerous food trucks...great recipes
