Everyday Italian: 125 Simple And Delicious Recipes

Synopsis

In her hit Food Network show *Everyday Italian*, Giada De Laurentiis shows you how to cook delicious, beautiful food in a flash. And here, in her long-awaited first book, she does the same—helps you put a fabulous dinner on the table tonight, for friends or just for the kids, with a minimum of fuss and a maximum of flavor. She makes it all look easy, because it is. *Everyday Italian* is true to its title: the fresh, simple recipes are incredibly quick and accessible, and also utterly mouth-watering—perfect for everyday cooking. And the book is focused on the real-life considerations of what you actually have in your refrigerator and pantry (no mail-order ingredients here) and what you're in the mood for—whether a simply sauced pasta or a hearty family-friendly roast, these great recipes cover every contingency. So, for example, you'll find dishes that you can make solely from pantry ingredients, or those that transform lowly leftovers into exquisite entrées (including brilliant ideas for leftover pasta), and those that satisfy your yearning to have something sweet baking in the oven. There are 7 ways to make red sauce more interesting, 6 different preparations of the classic cutlet, 5 perfect pestos, 4 creative uses for prosciutto, 3 variations on basic polenta, 2 great steaks, and 1 sublime chocolate tiramisu—plus 100 other recipes that turn everyday ingredients into speedy but special dinners. What's more, *Everyday Italian* is organized according to what type of food you want tonight—whether a soul-warming stew for Sunday supper, a quick sauté for a weeknight, or a baked pasta for potluck. These categories will help you figure out what to cook in an instant, with such choices as fresh-from-the-pantry appetizers, sauceless pastas, everyday roasts, and stuffed vegetables—whatever you're in the mood for, you'll be able to find a simple, delicious recipe for it here. That's the beauty of Italian home cooking, and that's what Giada De Laurentiis offers here—the essential recipes to make a great Italian dinner. Tonight.

Customer Reviews

Giada De Laurentiis' first cookbook was exactly what I expected from watching her show. True it does not greatly differ from her TV show, but I did not expect it to, they share the same name for a good reason. Just like her wonderful show, the recipes are pretty classic Italian but recipes you can make from your own pantry or your local store. No hunting down speciality ingredients. I personally liked the section on what you need in your pantry to make the majority of the dishes included. I am one of those people who reads a cookbook cover to cover and I enjoyed Mario Batali's intro about Giada very much. Especially the part about how she is the kind of girl his mother told him to marry. The book also describes how Giada ended up with her own show. The recipes center around those found on her show, with some I do not recall from the show. If you are already familiar with her food network show then you know that Giada focuses on achievable Italian cooking, you do not need a degree from culinary school or a week to make her food. There are more traditional Italian cookbooks out there, but if like me, you are unlikely to make a marinara sauce that requires a minimum of three days, this cookbook is more your style. The book also tells you how and how long many of the dishes can be stored. Something I really appreciate. And being that it is Giada, there is a good dessert section. A nice touch is that there are some simple, light fruit desserts along with the more decadent fare. Also there are intros to the recipes with facts or explanations on variations. Some people have said there are not enough recipes included.
