## Customer Reviews

I love applique projects and this is no exception. I am doing my blocks with "Wash-Away Applique" sheets by C&T Publishing. I love them. They work great. I believe this is not a project for a beginner applique person. The directions are not very detailed. The author does have a You Tube video which helps immensely. But still I would have like more directions on each block. Since I have appliqued so much over the years, I was able to figure everything out. I am very glad I purchased this pattern and am enjoying making the project.

These village building patterns are so gorgeous! There was a lot of thought into writing & designing this. It is unfortunate does not show all the 9 blocks you get. This is not in the form of a book, but rather an envelope cover with an instruction booklet & full sized patterns inside. Instructions are not detailed, and the applique is on the advanced side. I would believe a beginner may find it advanced.

The front shows 4 of the blocks. The back cover shows the other blocks which include: Town Hall, Good Neighbors, Edge of the Woods, Under the Old Tree, Oxford House. I truly love these patterns, and applaud Felicia Brenoe.

This pattern is one of the best that Felicia's has produced! Her eye for detail is amazing! The instructions are easy to follow and do no matter what level of quilting you're at. I've been able to attend a class of Felicia's and feel very comfortable with her ease of instruction as well. Her method and teaching of quilting is well worth taking a class with her. This quilt is one that I will be completing very soon and am very glad that I have it. It's very unique and can be changed around if wanted to. This pattern as well as other Felicia Brenoe patterns are well worth it. Have fun quilting!

"My Cozy Village" is a great pattern. I am a new to applique and Felicia Brenoe's clear and easy to follow instructions built confidence with every block! The pattern pieces are easy to use and the book is filled with beautiful examples of the quilt in progress. Ms. Brenoe's use of color and pattern is awesome and inspirational!

Felicia's new pattern is a delight! My Cozy Village is a collection of house blocks that can be made as traditional or modern as you like. She offers different styles of applique to create your own village and gives clear directions. The options are endless with this pattern!
