Best Of The Best From Louisiana Cookbook: Selected Recipes From Louisiana's Favorite Cookbooks

Synopsis

Each cookbook in Quail Ridge Press' acclaimed Best of the Best State Cookbook Series contains favorite recipes submitted from the most popular cookbooks published in the state. The cookbooks are contributed by junior leagues, community organizations, popular restaurants, noted chefs, and just plain good cooks. From best-selling favorites to small community treasures, each contributing cookbook is featured in a catalog section that provides a description and ordering information -- a bonanza for anyone who collects cookbooks. Beautiful photographs, interesting facts, original illustrations and delicious recipes capture the special flavor of each state.

Customer Reviews

I grew up just outside of Baton Rouge, so I know what "authentic Cajun food" is supposed to be. The recipes in here are a compilation of recipe books my mother used: River Road Recipes (I & II), Tiger Bait, Jambalaya, Talk About Good, and a bunch of others (hence the name...Best of the Best). Most of the recipes are pretty straight-forward and easy (though occasionally time-consuming). My wife and I both love to cook, and when she lets me cook, this is the first book I pull down. Be sure to try the "Jambalaya Bread Pudding" recipe (from the cookbook titled "Jambalaya"). Every time I bake it, I get asked for the recipe.

I have had this book for years and also the Best of the Best from Louisiana II. This is a great book (and set) to own. I have many friends out of state and out of the country and I always use this book

for personal gifts. Everyone is always thrilled to receive it. I live outside of New Orleans proper and the recipes are authentic and delicious, a great combination of most of the best recipes of the state. This book is truly the Best of the Best!

The best compilation of Louisiana cuisine. Everything from appetizers to desserts!

these series of books have got outstanding recipes in each i have other books in this series and since i am a chef by profession they are worth having for your kitchen. if you are looking for regional recipes from around the country they are worth having i highly recommend them

All the recipes I've tried from this cookbook have been great.

I love Louisiana and New Orleans has a very special place in my heart. I love everything about Louisiana, especially its cuisine, because it is a diverse and reflects its melting pot of cultures that have colored its history. I love to cook and while I just received the book and haven't tried any of the recipes, I love how it is organized. The print is easy to read and the directions are simple and easy to understand. The book is organized into categories and offers variations and many choices. Even though it is plastic bound, I find the pages turn easily. There are numerous recipes representing all of Louisiana. I purchased this book used and I am impressed with all aspects. I can't wait to try these recipes: Lemon Tequila Souffle, Stuffed Eggplant, and Green Onion and Potato Soup. I love cooking and have for many, many years. I have never crossed paths with recipes like this. Also, this book includes all the well-known dishes associated with this region. The other thing I love about this book is that recipes handed down are included. These recipes are rare jewels. This isn't a coffee table book and it isn't a showy production. What it is, is a cook book with some really awesome recipes.

Excellent collection of real recipes from real locals. Captures timeless flavors. Straight format of recipes makes reading and reference very handy. The title is true.

If you have time on your hands and would like to try something new at home on a day off, this is a great cook book to try that with. My family is from Louisiana, but I was born and raised in California. So its fun to cook something my family can enjoy eating and remember good times together. Family bonds over dinner :o)
