Customer Reviews

This order was to replace the copy I'd had for years (until a certain son stole it). The title is correct. It is filled with delicious recipes that are easy to follow.

I thoroughly love this book. I actually gave it to my son in law and kept a well worn copy I cherish. Thank you for a pleasurable shopping experience.

Great reference cookbook. This one should be in your collection. Lot of delicious recipes. This one's a keeper. Good eats.
