Wedding Dogs: A Celebration Of Holy Muttrimony

Synopsis

Wedding Dogs captures man's best friend at 75 weddings as the best man, maid of honor, ring bearer, or another member of the wedding party! Decked out in little doggy tuxedos or sporting a wreath of roses around their necks, these pooches share in the wedding couple's big day. Each photograph is accompanied by a brief essay telling the dog's (and the couple's) story. A perfect wedding, bridal shower, or groom's gift, Wedding Dogs shares the joy of the moment when dogs join in the celebration of their owners' most special day.

I admit I didn't know dogs were becoming "standard" members of the wedding party! :) This book provided first hand accounts of how poochies did with "mom" and/or "dad" getting married. These accounts told of the humorous side, and the touching side, but more important it showed how the four legged member of the family can be included in the wedding of his./her owners. Garment ideas via good pictures, and wise advice from those who have dared to walk down the aisle to say "I do" with their dog or dogs right with them. A delightful book with good text and equally good photos.

The stories and photos are lovely. But the thing that touched me the most about this collection is how most of the stories talked about how much laughter the dogs brought to these special days. The dogs were just being dogs - happy, joyful, loveable, mischevious dogs - and that made them perfect to be included in the celebrations. This book is a must for anyone loved by and loving a dog.

This book is so charming. The photographs are beautiful and the stories that accompany them are so heartwarming. For anyone planning their wedding, this book will remind you to include that 4-legged love of your life! Our dogs are such an important part of our lives so it's especially nice to see how these beautiful couples made room for them on the most important day of their lives. If you are an animal lover of any kind, you will love this book!

This book is such fun. I haven't read every story but I have looked at all the pictures numerous times and never tire of them. The photography is wonderful and the dogs are perfect additions to wedding photos. If you love dogs and enjoy wedding photos, this book is a must. It never gets old.

Such an awesome and beautiful book; many little wedding stories, easy to read and will touch your heart. Stories are accompanied by great photo shots. Actually I was surprised to find such a lot of different stories. Well done.

This book shows many dogs participating in their owners' weddings and it is really great. I gave it to my future daughter-in-law, as her dog will be the flower girl in her wedding

My son's recent wedding included their dog, Milo. This book really highlighted how many others wanted to include their best buddy in the ceremony.

got this adorable book for a friend as part of her wedding gift. photos are really great, perfect wedding present for any dog lover!
