The Essential Oyster: A Salty Appreciation Of Taste And Temptation

Synopsis

A decade ago, Rowan Jacobsen wrote a book called *A Geography of Oysters* that celebrated the romance of oysters, the primal rush of slurping a raw denizen of the sea, and the mysteries of molluscan terroir. The book struck a chord, and American oyster culture has been on a gravity-defying trajectory ever since. With lavish four-color photos throughout by renowned photographer David Malosh, *The Essential Oyster* is the definitive book for oyster-lovers everywhere, featuring stunning portraits, tasting notes, and backstories of all the top oysters, as well as recipes from America's top oyster chefs and a guide to the best oyster bars. Spotlighting more than a hundred of North America's greatest oysters--the unique, the historically significant, the flat-out yummiest--*The Essential Oyster* introduces the oyster culture and history of every region of North America, as well as overseas. There is no coastline from British Columbia to Baja, from New Iberia to New Brunswick, that isn't producing great oysters. For the most part, these are deeper cupped, stronger shelled, finer flavored, and more stylish than their predecessors. Some have colorful stories to tell. Some have quirks. All have character. *The Essential Oyster* will help you find the best, and help you to cherish them better. That is what's captured--and celebrated--in these pages.

Book Information

Hardcover: 304 pages

Publisher: Bloomsbury USA (October 4, 2016)

Language: English

ISBN-10: 1632862565

ISBN-13: 978-1632862563

Product Dimensions: 7.6 x 1 x 9.3 inches
