#### Customer Reviews

The best part of The Cat Lover's Survival Guide by veteran author Karen Commings is that you can find help quickly. From treating kitty zits to giving your cat a pill, you'll find a wealth of practical, pertinent solutions for solving "pesky pet problems." Commings includes creative tips for cats with disabilities, and she takes a unique look at the other side of the coin by providing resources for cat owners with physical limitations. If you love cats, this book--full of reasonable solutions to make life easier for both species--should not be missed.

This book is a must have for every cat owner and lover. Simple to read and covers just about every possible problem that can arise with your kittie. You won't be disappointed.
