Customer Reviews

An excellent introduction to this lovely breed. This book is worth buying just for the quality photos of the gorgeous cats!

This book was very helpful as a new owner of an Exotic kitten, especially the sections on grooming and nail clipping. The illustrations were especially helpful and well done. For the price, a very good book.

This is one of very few books that I was able to find specifically on Exotic Shorthair Cats. It has a lot of good information, such as their characteristics, what brushes to use, etc. Very helpful.
