Amazing Panini Sandwich Recipes is a quality recipe book to whip up some tasty creations in the comfort of your own home fast. Pl'll admit I'm a HUGE sandwich lover. My fav? Grilled chicken on rye with every veggie under the sun and a drizzle of mustard-YUMMY!The recipes in this book are a heck of a lot more exciting than that!The only thing that could have made this recipe book better would have been to twist the recipes healthy. That's just the health nut in me!Bottom line is, Stephens knows her panini recipes. For a few tasty lunch ideas I suggest you grab this book and get creating! Nice job!

Having tried many of the wonderful recipes in Mandy Stephens other book "Amazing Breakfast Sandwich Recipes: 51 Quick & Easy, Delicious Breakfast Sandwich Recipes for the Busy Person" I felt compelled to download this companion book. I'm happy to report that it is chock-full of even more awesome sandwich recipes, specifically paninis. What I love about paninis is that they are easy to make and really turn a sandwich into something more gourmet. All you need to know to make delicious paninis is in this book. Save time hunting down recipes on line and download this E-book today. There's a lot of original recipes here, making this a great deal for the current Kindle price.

If, like me, you thought that Paninis meant cheese and ham or ham and tomato stuffed into a baguette or ciabatta roll and then toasted within an inch of their lives, you should read this book. With its great range of mouthwatering combinations using a wide variety of breads, croissants and rolls, you'll find something for every meal and every taste. From Bacon and Pear Croissants with Bleu cheese to Banana bread with Strawberries and chopped walnuts, you'll be in panini heaven!

I have already bought a few Panini recipe books, but I found this one to be the best. I particularly liked the tips for using the Panini Press Grill. The recipes were quick and easy to make and the instructions were clear and concise. All in all, a great book. Highly recommended!

This informative recipe book comes with a comprehensive table of content. The book contains practical tips for using the Panini Press Grill and 51 healthy, yet quick and easy Panini sandwich recipes for the busy person are covered. Ingredient and method for making the Panini sandwiches are also well explained. I particularly like the fact that each recipe comes with suggestion for easy side dish and an estimation of the number of Serves. Overall, highly recommended. However, I would have liked to see pictures to show me what the Panini sandwiches would look like and of course, to wet my appetite :)

I am a sandwich kind of girl. Just give some various types of breads, condiments, cheeses, meats, fruits, veggies and I'm off to creating a food fest party in my mouth and tummy.

Came in good shape.....goes with a Panini/Grill purchased as a gift. Looking through was impressed on all the interesting things to offer.

Bought to go with the panini press I bought for a Christmas present. Nice quick panini ideas!
