## Customer Reviews

This is a great cookbook chalk full of recipes for yummy home-style baked goods. The Cookbook's foreword is written by Ina Garten, who carried Tate's Bake Shop baked goods at her Barefoot Contessa Shop for years. This warm and friendly book begins with some basic information regarding tips and techniques for baking success. Some of Kathleen's favorite baking tools are Silpat baking mats, an oven thermometer, and microplane zesters. Probably her best advice is given in the last sentence where she says, "Most of all, have fun! Don't take it seriously. If you screw up, don't worry

about it--they're only cookies!The recipes are easy to follow and relatively simple. There's nothing fancy or pretentious here.The book includes chapters for:Muffins and SconesPound Cakes and BreadsCookies and BarsPies, Crisps, and CobblersCakesHealth AlternativesEverything that I've made from this book so far has been delicious. And there are so many more recipes that I can't wait to try. Just reading about them makes me want to run into the kitchen and get baking, which is not something I can say about most baking books.Favorites to date include mocha pecan muffins, banana chocolate chip muffins, oatmeal scones, apricot ginger scones, sweet potato pie, chocolate peanut butter pie, apple cranberry crisp, chocolate mousse cake, chocolate chip cake and chocolate fudge cupcakes with peanut butter frosting, chocolate chip coconut macadamia nut cookies, chocolate chip pie, and the crispy chocolate chip cookies for which her bakery is so famous.One word of caution, the book includes a few editorial missteps.
