Wonderful! Every recipe I've tried in this little cookbook---from spinach and gruyere crepes to baked German apple pancakes---has been a big winner. While this book would make an excellent gift to accompany a waffle maker (as other reviewers mention), it also goes beyond waffles. It has both sweet and savory items, and tasty recipes for dishes good any time of the day.

This is a GREAT little book to accompany a Belgian waffle maker as a gift. I have 3 daughters and

they all were thrilled with their makers and this book for Christmas. Waffles aren't just for breakfast anymore!

This recipe book is small and short but represents a wide variety of recipes. The pictures are beautiful and the recipes are clear. I love the inclusion of savory recipes.

this little book has pictures with ideas for garnishments; not just syrup and butter. I am one who is inspired by the pictures; I won't buy a cookbook without it and looking at the pictures in this book makes you want to start cooking! The first recipe I tried turned out great tasting too, plus no hard to find ingredients.

These cookbooks are part of larger Christmas gifts. Four family members are receiving waffle irons with all the fixings. Because I have plenty of time before the holidays, I've tried a few of the recipes and the waffles were great. My husband and I are enjoying each experiment. I know the waffle gifts will be a tasty hit.

Have tried several of the recipes - always good. Have gifted the book twice with a waffle maker and a couple of utensils - great shower gift. Biggest reason for me to own it - display it front and center of my cookbook collection. It is attractive and very small - a great addition with fabulous pictures to accompany delicious recipes.

I purchased this book to use in a gift basket. I put it with a waffle maker and some flavored syrup. It was a good finishing touch for the basket which I donated to a local nursing home for them to raffle off.

A tiny little book that looks sooo cute! And with well described recipes in it!! Happy with the purchase, which was made with a Black and Decker Waffle maker. Awesome combination!! :)
