Customer Reviews

I had been picking up one of their special editions in the grocery store for both my daughter and myself but decided I liked them so much I ordered the 2016 complete cookbook after reading some very flattering reviews. Great recipes, I love it!

I get one of these for my wife and family every year. It's a tradition. This is an excellent repository of recipes that have made some of our favorite dishes over the years. I am sure the 2016 issue will deliver as well. Very nicely bound, well organized. Cooking light is a nice annual "surprise" under the tree each year.

This was a Christmas gift, but I glanced through it briefly before wrapping. It was for a newlywed young couple, neither of which know how to cook...but like to eat healthy...looked informative and easy.

This might be my favorite year so far. I've been collecting each year since 1998. I've made several of the dishes and they all came out amazing.

My daughter-in-law loves to have a current copy of this every Christmas. She was happy to get this year's copy.

Lots of tasty and healthy recipes! Each one I've made so far has been a winner!

Recipes are easy to follow. Nice presentation. The only negative comment is that some recipes require too many ingredients.

I buy the Cooking Light Cookbook every year, and have never been disappointed. Loads of great recipes.
