Customer Reviews

This book has lovely pictures and a lot of great ideas. In my opinion it is probably for a more advanced decorator to execute. My only criticism is that while the written explanation of a technique was thorough, I think an extra picture would have translated the explanation with more clarity. Would I buy it again....absolutely!

The cookies in this book are beautiful. All of the cookies have written step-by-step instructions. However, not all of the cookies have photo step-by-step instructions. I'm not sure why some of the cookies have photo step-by-step instructions and some do not. I have been decorating cookies for about 4 years and have learned many techniques from many great cookie artists who share their knowledge through their blogs with tutorials. So, I can figure out how to decorate a cookie by looking

at a great photo of a completed cookie like the cookies in this book. However, for a beginner, the photo step-by-step instructions are crucial. All in all, its a great book with a large variety of cookie decorating ideas.

This is a wonderful, easy to follow book with beautiful pictures! Great for step-by-steps for beginners or just to strike some inspiration. I highly enjoyed this book.

Great photos, terrific ideas and tips for making adorable cookies. I would recommend it to anyone who enjoys cookies that look as good as they taste!

Great Book!

So stinkin' cute! Great ideas for a myriad of party themes. I love the ideas and the images.

Step by step listed with pictures! very exciting
