Customer Reviews

I'm working my way through the recipes. Tried the strawberry ice-cream and it was absolutely delicious!! I've noticed that a lot of Linda's recipes are much simpler to execute, for example, the Strawberry Ice-Cream had only 5 or 6 ingredients, all of which I had in my pantry. No fancy custard to slave over, just mix everything in the blender then put it in your ice-cream maker. I love those kinds of recipes. Looking forward to the rest of them. May have to get a bigger size in pants though.

I'm completely in love with this book. Perfect for summer treat ideas. The very first recipe I made was grapefruit sorbet. Followed by strawberry and champagne sorbet, citrus sorbet, and pomegranate sherbet. All the recipes I made were fantastic. I highly recommend it. I received a review copy of this book.

This is a small book but then how many recipes do you really need? I wish it had a little more detail about ice cream machines.

great book, love the recipes

Great recipes. Have made several of them. Lovely, useful book.

All of Linda's books are beautiful and a joy to read!
