# Washington Quarter 1959-1998 Collector's Folder (Warman's Collector Coin Folders)

## Synopsis

In 1965 the Washington quarter changed from being almost purely silver to a combination of copper and nickel, and earned the nickname "Johnson Sandwich" after then-president Lyndon B. Johnson. Treat yourself or your favorite coin collector to a beautiful place to showcase Washington quarters, in this coin folder. With three panels and 75 coin slots, there's room for quarters from 1959 to 1998 in one single folder.

## Book Information

Product Dimensions: 7 x 0.3 x 9.5 inches

Shipping Weight: 13.6 ounces

Average Customer Review: 4.9 out of 5 stars [See all reviews](#) (14 customer reviews)

Best Sellers Rank: #830,494 in Books (See Top 100 in Books) #48 in [Books > Crafts, Hobbies & Home > Antiques & Collectibles > Coins & Medals > State Quarters](#) #75 in [Books > Crafts, Hobbies & Home > Antiques & Collectibles > Coins & Medals > Coin Folders](#)

## Customer Reviews

I ordered several of these folders at one time and I was not disappointed in the least. Not only do the folders LOOK good but they will not be damaged easily as well. They hold all my coins easily and provide numerous facts about the coins that help the customer learn where and why these specific coins were produced. I would gladly recommend any of the Warman's folders to any sort of collector whether they are just beginning their collection or if they have been collecting for years. It is a solid product that does exactly what it is supposed to do.

I own just about every coin collectors folder made by Warman, and they all have a very neat and polished look. I have no issue with the size holes or anything else with these folders. I like that once the coin is inserted its there indefinitely and won't fall out. However, its possible to remove the coin with small prying tools if necessary.

It is very sturdy and has great information about the Washington quarters. I gave them to my 5 great nephews and they were very excited. Like everyone I had a jar with Washington quarter and I just divided the quarters and gave each of the boys their share. They really like them

This is the best coin folder I have ever bought. It's easy to press the coins in and they won't fall out. Great design, if you are collecting quarters and want to find a cheap but high quality folder, here it is.

This book will work just fine for saving older Washinton quarters. I probably will purchase more of this type of collectors book in the future.

I do wish the holes were not so tight but other than that they are compact and efficient. They blend right in on the bookshelf.

Solid book. holds coins, very solid. keeps coins clean & hands free to look at. Be purchasing more we like Quarters. thanx.

I like the Warman Collector's Folders for their quality design. The coins are easy to insert, and the cardboard is firm. These Collector's Folders work great.
